Office of General Counsel, Room 209

Dear Governor DeSantis, this correspondence will serve as official notice of my intent to retire/resign effective March 31, 2019. This decision has been made only after thoughtful consideration.

It has been the greatest of honors to have served in this position since 2005.

This correspondence will be followed up with a hard copy to your office and the office of Chief Linda Nobles of the First Judicial Circuit.

Again, I appreciate the ability to have served the citizens of the State of Florida.

Respectfully submitted,

A handwritten signature in cursive script that reads "Joyce H. Williams".
