Secretary Cord Byrd
Secretary of State
Florida Department of State
R. A. Gray Building
500 South Bronough Street
Tallahassee, Florida 32399

Dear Secretary Byrd:

I presented my recommended budget in December of last year, the “Focus on Florida’s Future Budget,” which prioritized tax relief for Floridians, investments in our #1-in-the-nation education system, law and order, disaster preparedness, continued economic development, environmental conservation, and more. Since that time, I have signed historic legislation that has made monumental strides for Florida by ending the squatters’ scam; cracking down on lawlessness; reducing the influence of global elites on our state; insulating Florida from malign actions of the Chinese Communist Party; bolstering school choice; protecting our citizens from nefarious environmental, social, and governance (ESG) policies; and making Florida inhospitable for illegal immigration.

I am pleased today to have signed the Fiscal Year 2024-2025 Focus on Florida’s Future Budget, which accomplishes these policy priorities and makes record investments that will benefit the state for generations to come. This includes full funding for major infrastructure improvements and unprecedented conservation efforts. But I am also equally pleased to note that this budget— together with my line-item actions— reflects *less overall spending for the upcoming fiscal year*, emphasizing the fiscal soundness and security of Florida under my leadership. We’re making big investments in our future while spending less of our taxpayer’s money to maintain our state’s strong financial standing and robust economy.

Few other governments in the world can claim they are reducing overall spending at a time when governments only seem to know how to grow, bloat, and waste. Florida proves government can be better. We have paid down 36% of the state’s entire outstanding tax-supported debt over the course of my tenure. This year, we are providing billions in tax and toll relief for Floridians. And I am today issuing \$949.6 million in line-item vetoes that will result in a budget reserve in excess of \$17 billion. Other states, like New York, operate at twice the budget with inferior services, mounting debt, and a host of budgetary problems. Florida believes we must be responsible with the hard-earned tax dollars of our citizens, and therefore operates with no state income tax, a budget surplus, and this upcoming fiscal year, *less overall*

government spending than last year. Governments should strive to do more with less. It can be done, and my action today cements that lesson for the nation.

Florida leads the way, yet again.

By the authority vested in me as Governor of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby withhold my approval of portions of House Bill 5001, enacted during the 126th Session of the Legislature, and entitled:

An act making appropriations; providing moneys for the annual period beginning July 1, 2024, and ending June 30, 2025, and supplemental appropriations for the period ending June 30, 2024, to pay salaries, and other expenses, capital outlay - buildings, and other improvements, and for other specified purposes of the various agencies of state government; providing effective dates.

I do hereby withhold my approval of the following line items in the 2024-2025 General Appropriations Act:
